

Office Memorandum • UNITED STATES GOVERNMENT

TO : [] DDS

DATE: 29 October 1962

FROM : [] CIA Records Administration Officer

SUBJECT:

Bob:

Here is my Report and Recommendation on the Disposition of Applicant Files which Col. White requested on 17 September. This has been ready to submit to the DDS since 25 September but I have held it, as you suggested, until the Office of Personnel received a response from the CI Staff on their views.

Since 25 September, I have followed up every few days with [] to find out if they had a reply from CI. On 25 October, [] advised me that [] Chief of CI had referred this to a [] for solution. [] advises me that due to pressure of work he does not know when he can complete the assignment. I believe that Col. White should know my proposal, without further delay.
